There are lots of fun-filled and exciting rides here both indoor & the outdoor portion of the amusement park and the whole day can be easily spent here without realising it.

A Genting Highland vacation is most definitely for those who love a beautiful, natural backdrop complimented with the modern services of a larger city.

Aside from the lush surroundings and refreshing cool air the Genting Highlands is also home to the only casino in Malaysia that has been used as the backdrop for many popular Asian and Hollywood films.

Once a sanctuary for pirates, only the locals knew the delights of Langkawi until it was made a duty-free port in 1987. Since then, the construction of modern amenities has created an idyllic Malaysian getaway. Its natural beauty and intriguing folklore make a visit here one to remember.

Situated off the northwestern coast of Peninsular Malaysia, Pulau Langkawi is the largest among an archipelago of 99 islands collectively known as Langkawi.

The one-and-only temple in the world dedicated for princess 'Seetha' [Rama-See tha]: the Sitha Amman Kovil/temple.

Temple dedicated for 'Hanuman'

Hakkgala Botanical Gardens.

Sitha Eliya and Sitha Amman Kovil/temple [only of it's kind in the world]

Sita Amman Temple is located about 1km a way from the Hakgala Gardens. According to legend the temple is believed to mark the spot where Sita, was held captive by her abductor, King Ravana. Though an average visitor might feel that the location and its surrounded green land has nothing much to offer, archeologists have discovered giant foot steps - believed to be of "Hanuman" and more ruins to look around. This temple/kovil is dedicated to "Seetha" the captive princess for her love, believe, faith, determination, honesty and loyalty towards Prince "Rama". A believer, can still hear the silent mourns of Prince Seetha with a closer eavesdrop to the free flow of the water stream which flows next to the temple. The crystal water stream which flows next to the temple is believed to be where 'Sitha' bathe. Still worshipers do believe that the water at one point of the stream is 'taste-less' where prince 'Sitha' had cursed 'Demon King Ravana' on her captivity. The epic continue with an undiscovered tale of an underground tunnel network even below water levels in this area. There is also a shine to worship lord Hanuman with in the kovil.

### Hakgala Gardens

The Hakgala Botanical Gardens situated at the base of the Hakgala Peak south of Nuwara Eliya. Established in 1860, the garden is famous for its roses, ferns, the orchid house and the summerhouse. The rock of Hakgala rises 450 m above the gardens.

The 'Rama-Sitha' epic also raises very concrete evidence that "Sitha" while in Ravana's" custody has often used this garden to spend most of her leisure time while longing for her husband and home. "Hanuman" the official spy of the king Rama had also seen Seetha for the first time in this garden area.
